Assignment p _____ – p _____

Questioner: Your job is to write down a few questions that you have about this part of the book. What were you wondering about while you were reading? Did you have questions about what was happening? What a word meant? What a character did? What was going to happen next? Why the author used a certain style? Or what the whole thing meant? Just try to notice what you are wondering while you read, and jot down some of those questions either along the way or after you're finished.
